President's Report

Hello to everyone, and welcome to the last newsletter for 2022. Our club was in full swing this year, which was fantastic after our journey through the covid years.

2022 saw the purchase of our new agility equipment, the training of 6 new obedience instructors, the very successful running of our flyball competitions and scent work trials, the passing of quite a few of our four-legged much-loved members, the retirement of some of our older fur children after long and successful careers and 2 club competition days.

Once again, this year our club was successful due to all our volunteers that give so much of their time and effort into making sure everything runs smoothly and successfully. If you wish to volunteer your time to your club, please speak to your dog sport coordinator or myself.

This year our presentation evening, which was to be held at the Seaford Hotel, has, had to be cancelled due to lack of numbers. Therefore, the decision has been made to hold the event at our club as we did last year. More information is included in the newsletter.

Finally, a big thankyou to all our members who make this club what it is today. I hope you all have a safe and Happy Christmas with family and friends.

REMINDER: DOGS SHOULD BE ON LEAD

A reminder to keep all dogs on lead at all times unless asked to remove your leash by an instructor. This includes in the fenced pens between classes.

Flyball News

The Frankston Storm flyball team has been training and racing hard over the spring. It's been wonderful to see the teamwork between the dogs and handlers. This season has been Milo and Tilly hit the lanes joining the competition teams and we look forward to seeing them continue to improve over the summer competitions. This season has also seen Willow and Blue retire after fabulous racing careers. Both Willow and Blue have been integral team dogs and we wish them all the best as they soak up the relaxing life of retirement.

Vale Ty - 30/11/2012 - 29/09/2022

I joined FDOC in February 2013 with my dog, Ty. Ty was a golden retriever/beagle cross according to his DNA and while some people could see it, there were a handful who could not.

We started out doing obedience and I remember my very first fun day at Frankston I entered Ty in the puppy obedience category and he got an impressive second place. I continued with obedience in 2013 at Frankston and even though I enjoyed obedience deep down I couldn't wait to start flyball.

I started learning flyball with Ty in 2014 which was a fun canine sport to learn. Ty quickly learned flyball recalls and eventually box (swimmer's) turn. Ty really seemed to enjoy flyball until he started training with the competition dogs. Flyball became a little too strenuous for Ty doing five runs in a row.

In the winter of 2014, I accidentally discovered that the agility co-ordinator was having a foundation session indoors because it was raining. I was not booked in for foundation agility, but after a lot of convincing Sandra Shepherd eventually relinquished and let me join in. I remember watching videos that afternoon of some amazing dogs doing agility and weaving and thought to myself "I don't think I could teach a dog to do that". Fast forward to 2016, Ty did his very first NADAC agility trial in 2016 and we came home with ribbons!!

I did in fact teach Ty to weave as well as all the other elements of agility. Ty really enjoyed agility and gained his titles in ADX, JDX, SD and SPD. We could not achieve that very last pass to get his

JDM title.

Unbeknown to me, Ty had advanced prostate cancer which had metastasized to his hips and lower back. He was even doing agility at our recent fun day.

Ty always enjoyed his Saturday outings at Frankston Dog Obedience Club. I will miss Ty.

Blue My Flyball Master

Blue and I started flyball in 2016 after being roped into it after a failed obedience career. We first competed in 2017 at our home comp On The Fly and got our first Flyball Dog title. I remember how proud I was that we actually competed in something and got a real title, something we both really really enjoyed.

Blue's career went on and built up quite well. He raced in the Vic Paw Patrol Junior Flyball Team on a few occasions. Hit his PB of 5.4 while racing for the kids too! He won Frankston Storm's Most Improved Flyball Dog in 2018 for how far he'd come and how solid he was. He has over 400 racing points to his name, and a Flyball Master title. We raced together in a few open teams and had fun racing with new dogs and people.

We had so much fun racing together, so when we came back to racing after lockdowns and he didn't look right, I had to get him checked out. Turns out it wasn't a training issue that was making him act up at flyball, he was injured. We took time

off training and worked extremely hard to fix up his leg, we had set backs, but ultimately he's never been fitter than he is now.

Blue is a very sensitive soul, when he was making mistakes because of his (unknown at the time) injury, he wasn't being rewarded in an effort to improve his runs. He thought he was the worst thing in the world because his fun flyball wasn't full of rewards anymore, and his mistakes meant he wasn't being a great competitor in the ring.

So if you can't fix it... roll with it. I chose to retire Blue at our last comp, Dandy Show. He made about a million mistakes in the ring, which really drilled in to me why I was retiring him, and that it was the right choice for us. Even though his runs were pretty crappy, I rewarded him with the best rewards I had, and made sure we had fun at flyball again.

What does retirement mean for us? It means Blue won't be at competitions anymore, as he doesn't run clean to be a competitive team player. But we will still be at training religiously, where Blue can make all the mistakes he wants without his team suffering, and still getting all his favourite rewards. We can have real fun at flyball again. We will still be keeping him in tip top condition too, even if he isn't at competition level anymore. It also means we can invest our time into new ventures. I want to give scent works a try with my dogs, I want Blue to have a crack at a trick trial, and I want to be able to invest my time at flyball competitions into making myself a judge.

I always like to practice what I preach too, that a dog should be retired nice and early so they can live out their twilight years in peace. Although Blue's injury certainly wasn't a career ending one, his decline of enjoyment in

the competitive side of things showed me this was the best course for us.

This has all been a great reminder to me that the reason we got a dog in the first place was to have an enjoyable companion by my side, and make some friends and gain some experience on the way. All the rest is just a bonus. I think that's a good note to end on and something Blue and I will be focusing on. Always remember to have fun with your dog.

TOP DOG AGILITY 2022

Top Dog Agility is held each year to determine the best of the best over agility and jumping courses.

It is usually run during the State Trial held by Dogs Victoria, however the trial had to be cancelled due to forecast rain and poor ground conditions, like so many trials this year.

We were lucky to grab a fine morning on 19th November, to run the Top Dog finals, and it was great to see the number of people who turned out to cheer everyone on.

Dog and Handler teams earn points throughout the year to determine the finalists to compete in Top Dog. So it is a great achievement to just qualify for Top Dog, and once again FDOC was well represented with 3 members in the finals. Katie Baird had both her dogs in Agility and one in Jumping, Leonie Jasper ran her dog in both Agility and Jumping and Sandra Scafocchia competed in Agility.

The results are awarded in each height category and were:

Agility 300mm height

1st Katie Baird and Brightly

2nd Katie Baird and Boudica

Agility 500mm height

2nd Leonie Jasper and Flick

4th Sandra Scafocchia and Shiloh

Jumping 300mm height

2nd Katie Baird and Brightly

Jumping 500mm

10th Leonie Jasper and Flick

Hearty congratulations to them all, a wonderful achievement.

Katie Baird and Brightly were also awarded State Champion 300mm for 2022. This requires consistently high performance throughout the year to achieve maximum points.
