President's Report

A big hello to everyone and welcome to our 2nd newsletter for the year. I hope you are all well and enjoying training, even with the very cold weather. A big welcome to all our new members, I hope you are gaining valuable knowledge in your classes.

With all our clubs competitions going extremely well and weekly training sessions in full swing, I'd like to take this opportunity to thank all our members for their support and hard work in making this club the success it is. The time and effort that goes into running our club, and all the behind the scenes work that takes place each week is commendable.

I hope you are all enjoying your fresh dog food samples 'Bowlsome,' our sponsor 4 legs new premium range. Don't forget to do a survey on your experience with the food. QR codes are posted near the kiosk. Thank you for supporting our club's major sponsor.

In other news, our club has applied for a community grant to have more mature trees planted on the grounds. With the warmer weather only a few months away, some sun protection during training will be most welcome.

If anyone has anything they would like to publish in the newsletter please email President@fdoc.org
Happy training!

Kim Dearden
President

REMINDER: DOGS SHOULD BE ON LEAD

Funday Results 21st May 2022

We had a good turnout on a glorious day, just a bit chilly to start.

Once again Darren Wallace did a great job providing and judging some fun courses, and as always Maureen Boaler ably scribed and offered advice on rules to the newbies. Thank you to Roger Paddfield who brought along some timing gates from MODC.

It was good to see some of our new beginners having a go and enjoying themselves immensely.

Reminder: Watch your dog at all times

A reminder to keep a close eye on your dog at all times. Please do not let your dog approach another dog without first checking with the owner. Remember that your dog is your responsibility at all times.

Volunteers Needed!

As a purely volunteer run club we are always looking for assistance around the club. If you're keen to give back please consider support the club with a few hours of your time.

We have a weekly cleaning roster that rotates through the disciplines each month. Thank you to the agility and flyball crews who have taken on the last four months, please see your instructor if you can donate an hour of your time to help keep our facilities looking spin and span!

Thank you to the members that supported our recent Bunnings BBQs!

Flyball News

The Frankston Storm Flyball team have been busy braving the frosty mornings training and racing hard. Our team dogs are running consistently and racking up some great results at competition. Our intermediate dogs are improving every session and we are looking forward to seeing them join the racing lanes soon! We have welcomed a number of new beginner dogs this year and are excited by the progress they have been making!

We are looking forward to our next home competition on Sunday 7th August. If you've ever wondered what real flyball looks like rug up and come on down and check out all the action!
